WINSTED LAUNCHES REDESIGNED WEB SITE

MINNEAPOLIS, June 30, 2008 – Winsted Corporation, a worldwide leader in technical furniture solutions announced today the launch of their redesigned web site. The site, found at www.winsted.com, was enhanced to increase its functionality as a resource destination for customers, dealers, and sales representatives.

In addition to its new look, the site features enhanced product information with more product and sample installation images than ever before. Customers will also find easier access to resources and support services, to include an online catalog, free design service, online quote generator, A&E specs, and color samples.

An entire user-supported section of the site is devoted to [WELS](#) - Winsted's Equipment Layout Software – to include a [Design Center](#) showcasing console and control room designs, [Monitor Images](#), which can be attached to LCD, CRT, and Monitor Wall screens, and [RackME Parts](#), which provide access to OEM rack mount electronics, all of which can be downloaded for use in WELS.

A world leader in technical furniture and control room design for more than 45 years, Winsted creates ergonomic workspaces that are both efficient and beautiful. Winsted's diverse product line includes custom and standard rack cabinets, broadcast and security consoles, command center consoles, and media storage systems.

Winsted catalogs are available in print and PDF formats by calling 1-800-447-2257 or emailing: info@winsted.com, and online at www.winsted.com/catalog. Visit www.winsted.com/quote for a free online technical furniture quote. Download a free copy of WELS Design Software at www.winsted.com/wels.
